Office of

The point now raised by the Registrar, Karnatak University was discussed with Under Secretary, Education Department. The provisional rule 22-A provides that the Registrar shall inform all members (except the Deans of Faculties) of the Senate the date fixed by the Vice-Chancellor for the ~~Senate election~~ election of 4 persons from amongst its members to the Academic Council etc. That rule however has been made by the Governor in his capacity as ~~Vice~~ the Chancellor of the Karnatak University and as such it would not do the duty of an order under section 58 of the Karnatak University Act, 1949 which is to be made by the Provincial Government. The necessary order may therefore be issued by Government under that section.

Office of the R.L.A.

The facts stated in the Vice-Chancellor's letter are not detailed enough for enabling the R.L.A. to give a definite opinion. Assuming that Shri Revadi has been permanently promoted as a Head Master of the H.G. High School, Sindgi, it is clear from the provisions of the proviso (1) to paragraph (A) under the heading "Class II- Ordinary Members" in sub-section (1) of section 10 of the Karnatak University Act, 1949, read with the Provincial Statute 10 of the University that Shri Revadi cannot continue to hold the office of a member of the Senate as he would then no longer be a secondary teacher in which capacity he was elected by secondary teachers to the Senate.

3. In such matters Vice-Chancellor may be requested to give his own ruling first. It is only in the event of such ruling being challenged that he may consider the necessity of referring it to the Chancellor.
